

TRAVEL HEALTH

Have you recently arrived from overseas
Or returned from overseas?

Do you have a fever, bad cough, trouble breathing, or otherwise feel unwell?

Please tell reception about your symptoms and that you have recently been overseas

Ask for a face mask to cover your nose and mouth or that you be seated away from other people while you wait to see a doctor

- **When you see a doctor, tell them about your symptoms and that you have been overseas, without waiting to be asked**
- **Cover your nose and mouth with a tissue when coughing or sneezing**
- **Throw tissue away in a bin afterwards and then wash your hands with soap and water**

**Disease Control Section
Public of Health Directorate**

A poster for your waiting room to assist members of the public to identify themselves as a risk.
